HAVE YOUR SAY

Would you like a chance to express your views on what you value in education?

Copper Ridge School will host a focus group on Thursday, January 28th from 5:45-8:00 PM to listen to the views and educational values of our community. We would like to include representation from our entire school community - senior citizens, business and community members, singles and married couples, parents and those without children, religious leaders and private schools.

Your participation in the focus group is an important part of helping to map the strategic plan for our school district. We hope you will consider joining this important event.

Please contact Fay in the Copper Ridge School office at 480-484-1403 to attend this meeting or for more information.

BOOK FAIR UPDATE

This week the CRPTO distributed \$19,300 worth of books and educational materials from Scholastic to the Copper Ridge classrooms. This donation is our profit earned from our successful September 2009 CRS Book Fair, which was made possible by the generosity and support from our community. These new Scholastic educational items were specifically selected by Copper Ridge faculty to benefit the educational experience at all grade levels at Copper Ridge.

This was the first year that we took our profit (50%) completely in books instead of a 25% cash profit; replenishing and stocking new classrooms at our growing school, ensuring great reading/learning material for years to come. Thank you to all who have given valuable input and assistance to the PTO in support of this donation!

RECEIVE CASH FOR YOUR UNWANTED GOLD

Thursday, February 11th

7:30AM- 5:30PM

Get Paid for your Unwanted Gold, Silver and Platinum while supporting Copper Ridge School!

Do you have gold jewelry that you do not wear? Broken chains or rings? Unused earrings because you lost one of the pair? Bring your unwanted gold, silver or platinum items to Copper Ridge on Thursday, February 11th. Valley Goldmine will test & evaluate your items and pay you on the spot.

At days end they will give Copper Ridge an additional 10% of the entire total paid out. This does not come out of the price that you are paid. Their jewelers will remove any gemstones that you wish to keep for later use. Share this invitation to your friends, relatives, co-workers and neighbors. They will have the chance to make money for their unwanted items while helping to raise money for Copper Ridge. Start "digging for gold."
